6. **Brief History of the Organization** : Subhadra Mahatab Seva Sadan, established in 1980 in the tribal dominated Kandhamal district of Odisha with sole mission of the socio-economic upliftment of the marginalized section of the society including tribals, harijans, Orphans, distress women and children from problem families.
The Vision of SMSS envisages a society where each individual lives with dignity supported by a caring society and unexploited by vested interests. SMSS translates its vision into reality by undertaking various types of activities like a pre-primary and primary schooling, non-formal and formal education , Vocational training, computer training, old age home, day care centre, swadhar home and health centre.
SMSS endeavours to work for the all-round development of communities through the child- family- community syndrome especially empowering women during its more than four decades journeys from 1980, SMSS has today become a full-fledged organization.
